Learning for Life Programme (LLP) Updates

Learning for Life Programme (LLP)
Superhero Leaders
(Lead with Heart, Serve with Purpose)

**COMMUNITY SERVICE &
STUDENT LEADERSHIP**

To develop Lianhuareans into Exemplary Leaders who
Lead Self & Lead Others with heart and
Serve the Community around us (VIA) with purpose.

Desired Student Outcomes

Through the LLP, Lianhuareans become Superhero Leaders who:

- Are **self-disciplined**, have **good character**, and lead **active and healthy** lifestyles.
- Can **communicate effectively**, **collaborate** with others, be **adaptive** and **inventive** in thinking.
- **Serve others**, understand the needs of others and are active in improving school, environment and the community.
- Exercise **social responsibility**, **contribute meaningfully** to the community.

How will my child be involved?

For everyone

- **Class Leaders**
- **Passion Project**
- **Grow Well SG**

- School Events/Projects
- Environmental Projects
- Community Projects

For selected students

- Student Leaders' Training (Prefects, CCA, Peer Support Leaders)
- Student Leaders Camp

How can I support my child?

- Be supportive in their leadership role/VIA projects
- Encourage them to think how to contribute back to society
- Grow Well SG: Learn Well, Sleep Well, Eat Well, Bond Well
- Be a good role model

Learning Support (LSP & LSM)

Aim of the Learning Support

The LS is an **early intervention programme** that aims to provide support to **students entering P1** who need additional help with **English Language** or **Mathematics**.

Learning Support for English Language (LSP)

For students who need additional support to acquire basic English Language and literacy skills.

Features:

- Focuses on recognising letters and letter sounds.
- Covers phonics, reading, spelling and writing as well.
- Conducted by trained teachers during English Language lessons. One period each day.
- Small class size

Learning Support for Mathematics (LSM)

For students who need additional support to acquire basic mathematical concept and skills

Features:

- Focuses on building good mathematical understanding and students' confidence
- Covers Primary Mathematics syllabus
- Conducted by trained teachers during Maths periods
- Small class size

Mother Tongue Fiesta (MTL Fiesta)

Assessment Criteria for HMT Eligibility (P2 to P3 HMT)

Holistic Assessment

Students' performance based on the Primary 2 MTL Learning Outcomes is reviewed to determine their MTL proficiency. Students offering HMTL at Primary 3 should be proficient in their oracy skills and demonstrate a strong foundation in literary skills.

Learning Progress and Teacher Observations

Students' progress and performance at various checkpoints, including ongoing assessments, as well as teachers' observations during class discussions, classwork, and homework, are taken into account.

Students should demonstrate a strong interest in learning the language.

Option form will be given to selected students.

Science

Primary One and Two Science (POTS)

Intent

- Formalise a structure to facilitate pupils' learning in Science in P1 and 2
- Prepare pupils for the formal Science curriculum in P3

Time Frame

Primary 1:
Commence in Term 3
(1 period per week)

Primary 2:
Term 1 to 4
(1 period per week)

Content & Practices

Theme: Diversity

Topics: Five Senses, Animals & Plants

Practices: Observing, Comparing, Classifying, Communicating, Measuring

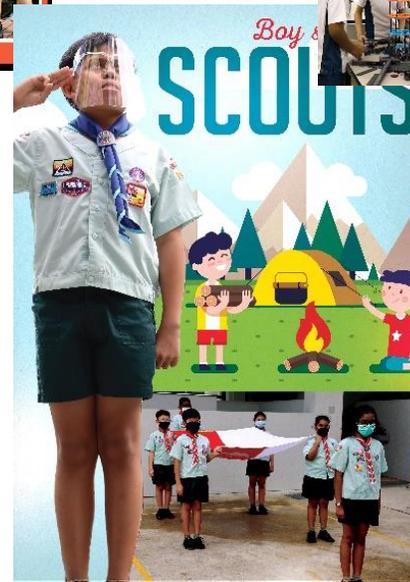

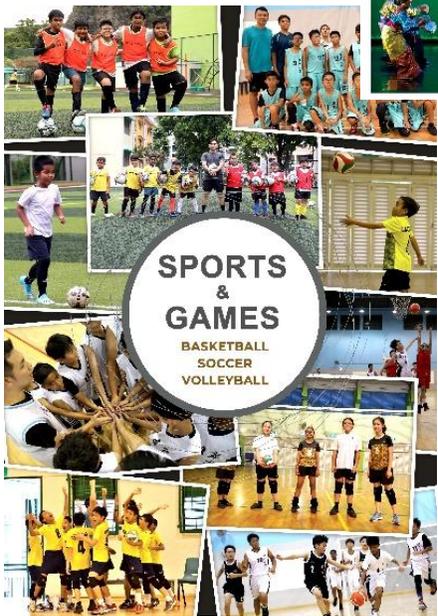

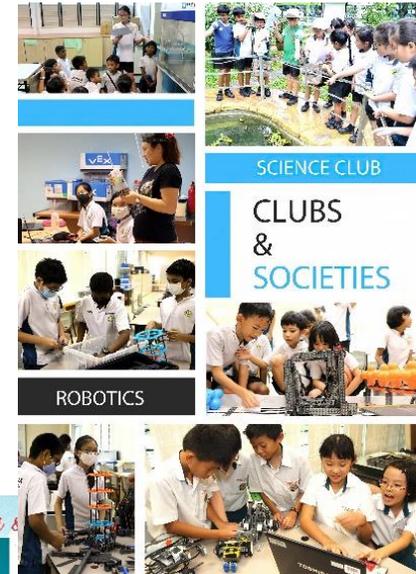

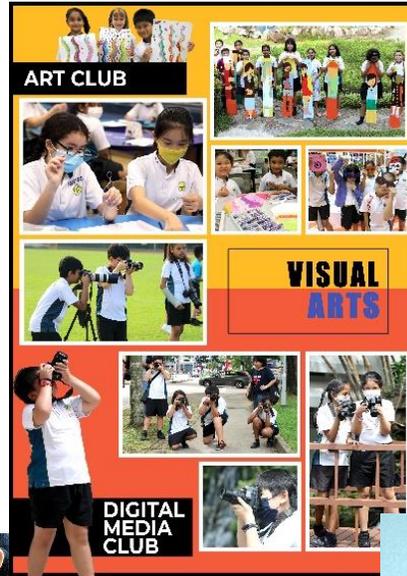

How To Help Your Child To Learn Science

- Help your child to see that Science exists around us
- Ask your child questions
- Encourage your child to ask questions and find the answers together
- Be inquisitive together

CCA in LHPS

Assessment Plan 2026

- Assessment plan for the year has been sent to all parents via Parents Gateway on 23 Jan 2026.
- Kindly refer to the PG notification for more information.
