Dear Parents,

INVITATION TO JURONG SECONDARY SCHOOL'S DSA ONLINE E-BRIEFING 2020

Together with your child, you will be making an important decision regarding his/ her choice of secondary school this year, and might be considering for your child to gain admission to Secondary 1 via the Direct School Admission – Secondary (DSA-Sec) Exercise. We would like to offer the below programmes under our school's 2020 DSA-Sec Exercise for your consideration in supporting the next important phase in your child's education.

Introduced in 2004, the DSA-Sec Exercise allows students to gain direct entry to secondary schools in the following year based on talents and achievements that may not be demonstrated at the Primary School Leaving Examination (PSLE). Based on our track record of achievements and development plans in the Basketball (Boys & Girls) niche area, Jurong Secondary School received approval from MOE to offer discretionary places at Secondary 1 level via the DSA-Sec Exercise for admissions from 2005, and this was subsequently expanded to include other niche areas in Volleyball (Girls), Badminton and Cross-Country. In line with MOE's focus to nurture the aptitudes of our students and enhance their access to opportunities, we have since expanded the areas offered through the DSA-Sec Exercise to include **DSA-Science Communication and Research (SCoRe) Programme** and **DSA Service Leadership** in addition to **DSA-Sports** (Badminton, Basketball, Cross-Country and Volleyball).

Jurong Secondary School was founded in 1963, at the request of community leaders to our Founding Prime Minister Mr Lee Kuan Yew, for a secondary school to be set up for secondary school-going children residing in Jurong. Since its founding, we honour our commitment to the community by being a trailblazer in both the academic and non-academic arenas, offering an all-round education for our students and introducing innovative programmes to stretch the capacity of our students so as to enable them to make their marks, and contribute meaningfully back to the community.

Should you be keen to find out more about the programmes offered by Jurong Secondary School under the 2020 DSA-Sec Exercise, please do not hesitate to visit our school website at <http://jurongsec.moe.edu.sg/jss-experience/dsa> or join us for our DSA online E-briefing on
