We will launch an e-Open House Publicity video, entitled “***The MGS Heartbeat***” on 15 May 2020 on our website. It will showcase the distinctive MGS brand of education, CCAs offered and its special programmes aimed to develop “every girl in a Christian environment in order that she may Master, Grow and Serve in every phase of her life.” The video will also feature two special interviews with MGS Alumnae, Dr Melissa Tien (Class of 1996) and Ms Joscelin Yeo (Class of 1995).

The video will be found on the ***The MGS Heartbeat***  ***Hear it. Feel it. Live it.*** link on our MGS website. Stay tuned!

Thank you.
